Thank you for your email.

We rarely vote positions on pending Bills in front of the state legislature, but I agree AB1250 should be added to our City Council agenda. I will raise the issue of adding it on Tuesday night. Kirsten Keith, who is serving as the City's mayor this year, ultimately is in charge of selecting what items are placed on our agenda. She traveling out of the country and won't be at the meeting Tuesday, so it may be a few weeks before we gain confirmation it will be added to an agenda in the future.

With best regards,
Ray

I'm writing to let you know that I strongly oppose AB1250 as it will increase city costs and taxes in both the short and long run.
The League of California Cities, after analyzing this bill is of the same opinion.

This is an important issue, perhaps the most important since it would negatively impact our citizens pocket books.
It consolidates power in the unions, instead of with the citizens.
